Education

Empire College of Science , Moodal ,Kuttippuram ,Malappuram.

2024-2027 ▪ Bachelor in Computer Application with AI and Data Science

Janatha HSS Naduvattam ,Palakkad

2022-2024 ▪ Higher Secondary [Biology Science]

▪ Marks :86 %

Majlis HS Perupparamba ,Malappuram

2022 ▪ 10 th

▪ Marks : 91 %

Projects

- **Developed** a fully functional clone of a modern website using **HTML5 and CSS3**, ensuring pixel perfect replication of layout, typography, and responsive design.
- **Designed and built** a scalable **e-commerce** platform with Html, CSS, React.js, Next.js, Node.js, JavaScript, and database integration, featuring dynamic product browsing, secure checkout, and server-side rendering for SEO optimization. Applied modern front-end practices including reusable components, interactive UI elements, and performance-focused styling to enhance user experience. Tested, validated, and deployed applications with emphasis on accessibility, responsiveness, and maintainability.
- **Designed and built** a responsive homepage using **HTML5 and CSS3**, ensuring clean layout and modern styling.
- **E-Commerce API Development (Python Flask)** – Built a functional e-commerce API, demonstrating skills in RESTful design, database integration, and secure endpoints

Certificates

- **E-Commerce API Development (Python Flask) Certificate** – Built a functional e-commerce API, demonstrating skills in RESTful design, database integration, and secure endpoints.
- **AI Face Detection using OpenCV** – Certified in implementing computer vision techniques for facial recognition using Python and OpenCV.
- **Microsoft Azure AI Certificate** – Achieved certification in Azure AI services, covering machine learning, natural language processing, and cloud-based AI solutions.
